Subject: Safe Drinking Water Act EPA Inspection Report

Dear Mr. Daly:

On November 29, 2022, the U.S. Environmental Protection Agency conducted a compliance evaluation inspection of the Stateville Correctional Center Public Water System ("System"), PWSID IL1977910 located in Crest Hill, Illinois. The purpose of the inspection was to make observations about the site conditions, operation, and monitoring of the System to evaluate compliance with the Safe Drinking Water Act ("SDWA") and regulatory requirements. Please see the enclosed copy of our inspection report.

EPA appreciates the opportunity to work with you to provide drinking water that meets or exceeds national drinking water standards. Should you find anything in the report that you disagree with, or you wish to provide an update, please provide a detailed response within 30 days after receipt of the inspection report.

If you have questions or concerns regarding this letter or believe any part of the report is not accurate, please contact Taylor Girouard of my staff at (312) 353-1394 or girouard.taylor@epa.gov.

Sincerely,

Elizabeth Murphy
